## 2 Register Your Card

### 3 Renew Your Pass

## Important!

Avoid standing in line at the sales office and renew your pass at any Farecards and Passes Machine before the end of the month! Register your card so you can receive a partial refund if your card is reported lost or stolen. Students who purchase a monthly pass must TAP their DC One Card on the bus Smartrip® farebox target if they are riding the bus. Pass renewals after the end of the month or purchase of 10-trip rail or bus passes must be done at a Metro Sales Office. You must bring this letter with you each time you visit a Metro Sales Office.
